

is a witness that they were just ready to die, and they are now here in a robust state of health. [Orson Hyde, "It is true."] True? Yes, as true as that God reigns in the heavens; and there are thousands more in the Church who know it is true. The testimony of brother Grant and other men is just as true, and will be valid just as much as the testimony of Peter, James, and John, for they speak the truth as it is in Jesus Christ.

I rejoice that I live in this day. You have heard me say a great many times that "Mormonism" and this people are the pride of my heart. I wish to see the Saints do right, and repent of their sins in such a manner, that they never need to have any more repentance from this time, and forsake their sins, and do their first works, and turn unto the Lord with full purpose of heart while it is their privilege, and then it will not be required for a man to preach to this people the first principles of the Gospel of Christ; for there are many who ought to repent and be baptized for the remission of their sins; but never go into the water again and be baptized for the remission of your sins, except you forsake them, and be Saints from that time forth, and not cultivate the principle of iniquity with yourselves, nor with your families, nor among this people. Let every man and woman rise up and purge iniquity from our midst, and if you do not, all I can say is, you will see sorrow, and you will see sorrow that will cleave to you, though you repent in tears, and in sackcloth and ashes, and you cannot get out of it until the Lord has a mind to deliver you.

Brethren and sisters, treasure up the Gospel, read the Scriptures of the Old and New Testament, and the Book of Mormon. What does the Lord say? That everyone, who will read the Book of Mormon attentively, faithfully, and prayerfully, before he

gets through, will receive a testimony of its truth. I know it. If you have lost the Spirit, go and read the Book of Mormon, and the Book of Doctrine and Covenants, and you will get it again, more or less. There are but few who know anything about these books and what they mean.

I wanted to bear testimony, in connection with brother Grant, of the truth of his statements with regard to the healing power of God manifested in Montrose, for I went with the Prophet, and am an eyewitness. Has not this Gospel the same power it had eighteen hundred years ago? It has, for God has renewed it unto us, and conveyed it to us through Joseph Smith, by the ministration of an angel. We have received the Gospel, and we have received the Priesthood, and the keys and power pertaining thereto, and the Kingdom of God is restored, and it will never be overthrown again, but will overthrow all iniquity or power that undertakes to wrestle with it, I care not whether it is a nation or a kingdom. Do the world believe this? Who cares whether they do or not, God knows it will do it, and I know it, and that is enough. If there was not another man in heaven or on earth knew it, and I knew it, and was authorized, it would overthrow all other governments, and they could not help themselves. You all know this, don't you brethren? [" Yes."]

Let us be brethren. As I have often said, I want to see this people acting like brethren; and if any of you have got full lots in the city, let your mother or your sister have a portion; and if you have got more land than you can cultivate, do likewise; and if Weber County has got more than they need, let Davies have a piece, and let us be one. Let us be brethren, and let us be one, and then what will the world be to us? I wish you all felt as I do, and then you would know
