

that has been given to us at this Conference. If we lay aside these things that do us no good, as has been already said, we will be better off, have more unity, have power to gather and feed the poor, to send the Elders abroad, and to do a great deal of good with the means that we have saved, instead of squandering it upon those things that are injurious to us and displeasing in the sight of God.

Brethren and sisters, let us lay these things to heart, and be united in doing all the good we can in our day and generation. We have the

right to do good, but not evil. The principles of the gospel of Jesus Christ which have been revealed in our day are the power of God unto salvation to all that believe, both Jew and Gentile, in this age of the world as well as any other; and inasmuch as we will be united in carrying out the counsel we have received, we can overcome every evil that lies in our path, build up the Zion of God, and place ourselves in a position that we may be saved therein, which, may God grant, for Christ's sake. Amen.

BUILDING THE TEMPLE—MORMONISM EMBRACES ALL TRUTH.

REMARKS BY PRESIDENT BRIGHAM YOUNG, DELIVERED IN THE BOWERY, GREAT SALT LAKE CITY, APRIL 8, 1867.

REPORTED BY DAVID W. EVANS.

I want your attention. I do not know how long it will be prudent to continue our meeting, but we would like to say a great deal more to the people. I will talk to you a little with regard to building the Temple. When br. Heber asks you to come and join us in drawing rock, you turn round and say, "I have paid my tithing; what more do you want? Do you want any donations or extra help? What do you do with the tithing?" This is in the minds of the people, and it is something that I think about, too, but I confess to you that, although I am Trustee-in-Trust and have the management of all this, I know but little about what is done with the tithing. Br. Hunter is Bishop, and whether he could

give you a knowledge of what goes with the tithing I do not know. The brethren turn in their grain and their stock, and it is gathered up, but that does not bring the rock here to build the Temple. Br. Kimball and some others have assisted in bringing some rock here, and a few have been drawn with my teams. Now, the rock does not come as we want it. We have commenced a Temple that I want to see stand a thousand years when the earth rests. We do not calculate that that building will fall down. You know I was so distrustful about the foundation, there were so many things about it I did not like, that we took it up and had to commence it again. We have got started now, and I think it is safe.
