

shall teach them the things of God, bring things past to their remembrance, and show them things to come.

What principle has sustained the Elders of Israel for the last forty years in their travels? They have gone forth without purse or scrip, preached without money or price; they have swam rivers, waded swamps, and traveled hundreds of thousands of miles on foot to bear record of this work to the nations of the earth. What has sustained them? It has been this power of God, this Holy Ghost, the spirit of inspiration from the God of Israel that has been given to his friends on the earth in these latter days. The blood of Israel has flowed in the veins of the children of men, mixed among the Gentile nations, and when they have heard the sound of the Gospel of Christ it has been like vivid lightning to them; it has opened their understandings, enlarged their minds, and enabled them to see the things of God. They have been born of the Spirit, and then they could behold the kingdom of God; they have been baptized in water and had hands laid upon them for the reception of the Holy Ghost, and they have received that Holy Ghost among every Gentile nation under heaven wherever the Gospel has been permitted to be preached; and here they are today, from all those nations, gathered in the valleys of the mountains. And this is but the beginning; it is like a mustard seed, it is very small; but the little one is to become a thousand, and the small one a strong nation. The Lord will hasten it in his own time. Zion shall be called a "city Sought out." The Lord is watching over us.

I wish to say to the Latter-day Saints, we must not forget our position, nor the blessings that we hope for. All that we expect, we have

got to inquire of the Lord for. Some of our brethren, as has been said here, have suffered a little through the spirit of bigotry and persecution that is in the world. I wonder many times there is not a great deal more of it. The Lord Almighty is going to make a short work in the earth; lest no flesh should be saved he will cut his work short in righteousness. The Lord is putting his hook into the jaws of the nations. He holds Great Babylon in his hands as well as Zion. He will control the children of men; and, as the Lord God lives, if the Latter-day Saints do their duty—live their religion and keep their covenants, Zion will arise, put on her beautiful garments, be clothed with the glory of God, have power in the earth, and the law will go forth from Zion and the word of the Lord from Jerusalem. Then let our prayers ascend into the ears of the Lord God of Sabbaoth, for he will hear them, that the wisdom of the wise may perish and the understanding of the prudent be hid. Our weapons are faith, prayer, and confidence in God, for he is our friend if we have any, and we are his if he has any on the face of the earth. The Lord will work with us, and we should work with him; therefore, brethren, let us live by faith, walk by faith, overcome by faith, so that we may enjoy the Holy Spirit to guide and direct us. All the institutions pertaining to the work of God in these latter days are going to progress, Zion is bound to arise, and to arrive at that position in our great future that the Prophets have seen by prophecy and revelation.

I want to say a few words to the sisters, who have been referred to this morning—the Female Relief Societies. Our mothers, sisters, wives and daughters occupy a very important position in this generation, far
