

these our hard earned homes to make others in a new country. We intend to hold our own here, and also penetrate the north and the south, the east and the west, there to make others and to raise the ensign of truth. This is the work of God, that marvelous work and a wonder referred to by ancient men of God, who saw it in its incipiency, as a stone cut out of the mountains without hands, but which rolled and gathered strength and magnitude until it filled the whole earth. We will continue to grow, to increase and spread abroad, and the powers of earth and hell combined cannot hinder it. All who are found opposing God and his people will be swept away and their names be forgotten in the earth. As the Prophets Joseph and Hyrum were murdered, and as they massacred our brethren and sisters in Missouri, so they would have served us years and years ago, if they had had the power to do so. But the Lord Almighty has said, Thus far thou shalt go and no farther, and hence we are spared to carry on his work. We are in his hands, the nations of the earth are in his hands; he rules in the midst of the armies of heaven and executes his pleasure on the earth. The hearts of all living are in his hands and he turns them as the rivers of water are turned.

We have no business here other than to build up and establish the Zion of God. It must be done according to the will and law of God after that pattern and order by which Enoch built up and perfected the former-day Zion, which was taken away to heaven, hence the saying went abroad that Zion had fled. By and by it will come back again, and as Enoch prepared his people to be worthy of translation, so we through our faithfulness must prepare ourselves to meet Zion from above when

it shall return to earth, and to abide the brightness and glory of its coming.

My brethren and sisters, I do really delight in hearing our brethren speak on this holy order of heaven. Unity of purpose and action, in carrying out the will of our Father, has been my theme all the day long; but I have continually plead with the Saints not to waste their substance upon the lust of the eye and the flesh, for that is contrary to the will and commandments of God. I wish to say that whoever have faith enough to inherit the celestial kingdom will find that their inheritances will be upon this earth. This earth is our home; by and by it will be sanctified and glorified, and become a fit dwelling place for the sanctified, and they will dwell upon it forever and ever. I will further say I labor for the earth, I never mean to be satisfied until the whole earth is yielded to Christ and his people. When brother George Q. tells us we should not labor for the earth and the things of this world, he means we should not labor with sinful motives, and to gratify the lusts of the flesh. But if we possessed the treasure of the Gentile world, could we not send our Elders to the ends of the earth, bearing the precious Gospel to all living? Could we not sustain their families during their absence? Could we not build Temple after Temple and otherwise hasten on the work of redemption? Yes. But keep the people in poverty and how are we to accomplish this great work? I say, let us gather and accumulate the things of the earth in the manner indicated by the Lord, and then devote it to God and the building up of his kingdom. What do you say to this doctrine, is it right or wrong? [The congregation said, "It is right."] What little property I have I wish it to be
