

Then let me say to the Latter-day Saints, let us practice the principles of our holy religion, be willing to be directed and used for the good of our Father's cause, in whatever capacity

we may be placed, and be servants and Saints of God in very deed. And that this may be our happy lot is my prayer in the name of Jesus. Amen.

PRAYER.

BY ELDER ORSON PRATT, DELIVERED ON THE OCCASION OF DEDICATING THE TEMPLE SITE AT LOGAN, CACHE COUNTY, UTAH, ON FRIDAY, AT 12 M. O'CLOCK, MAY 18, 1877.

REPORTED BY GEO. F. GIBBS.

O God, the Eternal Father, in the name of thy Son Jesus Christ, thy people and thy servants have met together upon this ground, for the purpose of dedicating the same unto the Lord our God, for building a house to thy name, even a Temple, wherein thy servants and thy handmaidens may receive such blessings as thou hast ordained to be bestowed upon thy people, that are pure in heart. We desire, our Father, that we may do this work with holiness of heart, that we may have the Spirit of the Lord our God to rest upon us, that we may dedicate and consecrate this place to be most holy—a sacred and holy place unto thee, whereon may be erected a Temple that shall be acceptable in thy sight. By virtue and authority of thy holy Priesthood, we do dedicate and consecrate this Temple site, and its immediate surroundings. We pray that it may be sanctified, that the foundation thereof may be steadfast, that it may be permanent, even as a rock.

We pray that thou wilt bless those who shall labor thereon; those that

shall make the necessary excavation for the basement story; those that shall quarry the rock, either from the quarries of the mountains or of the valleys; those who shall be engaged thereon and have the superintendence of this place; those that shall shape and cut the rock and prepare them to be placed in their proper places on the building; those who shall be engaged in drawing the sand, the lime and the clay, and in working the mortar; and all those that shall be engaged in any way on the erection of the building, whether in cutting and preparing the timbers, in quarrying rock, or in whatever work they may be engaged, pertaining to the building of this Temple, that they may be preserved by thy power, that thy protection may be over them, that thy holy angels may be with them, and that they may labor with their mights upon the edifice, until it shall be finished, until it shall be prepared for a still further dedication; that it may be built according to the instructions and inspiration and revelations of thy
