

wilt dwell among thy people forever—
 more. Hear, O Lord, these humble petitions of thy people, and mercifully accept the dedication of this ground, by thy servants. All of which we humbly do, and ask for, in the name of thy beloved Son, even Jesus Christ. Amen.

REMARKS MADE AT THE CLOSE OF THE FOREGOING DEDICATORY PRAYER.

REMARKS BY PRESIDENT BRIGHAM YOUNG, DELIVERED ON THE OCCASION OF
 DEDICATING THE TEMPLE SITE AT LOGAN, CACHE COUNTY, UTAH, ON FRIDAY, AT 12 M.
 O'CLOCK, MAY 18, 1877.

REPORTED BY GEO. F. GIBBS.

Brethren, if you will give me your attention, I will say a few words to you. We have dedicated this spot of ground upon which we expect to erect a Temple, in which to administer the ordinances of the House of God. Into this house, when it is completed, we expect to enter to enjoy the blessings of the priesthood, and receive our washings, our anointings, our endowments, and our sealings; and the brethren will be sealed to brethren to connect the links and make perfect the chain from ourselves to Father Adam. This is the object of the Temple which we are about to commence building at this place. We require the brethren and the sisters to go to with their might and erect this Temple; and from the architect to the boy that carries the drinking water to the men that work on the building, we wish them to understand that wages are entirely out of the question. We are going to build this House for ourselves, and we shall expect the brethren and sisters, neighborhood after neighborhood, ward after ward, to turn out their

proportion of men to come here and labor as they shall be notified by the proper authorities.

This may be called a temporal work, but it pertains to the salvation of ourselves as well as our friends who have passed behind the veil, and also to the generations that are to come after us. We can carry this Temple forward with our labor, without any burden to ourselves if our hearts are in the work, and we will be blessed abundantly in doing so. We will be better off in our temporal affairs when it is completed than when we commenced, or than we would be if we did not build it.

The time we enjoy is the Lord's, but we have the permission to dictate its use according to our own good pleasure. When the brethren come to work on this Temple they may expect to be blessed of the Lord, in proportion to their faith. We feel to ask the brethren to go to as they may be called upon by those who shall be placed to take charge of the work, and complete the building in three years from next fall—I think it can be done within that time—
