

of their wickedness. He felt it a hard task, but ultimately he did as he was commanded. So I say with regard to Joseph Smith. He received his appointment from before the foundation of the world, and he came forth in the due time of the Lord to establish this work on the earth. And so it is the case with tens of thousands of the Elders of Israel. The Lord Almighty has conferred upon you the Holy Priesthood and made you the instrument in His hands to build up this kingdom. Do we contemplate these things as fully as we ought? Do we realize that the eyes of all the heavenly hosts are over us? Then let us do our duty. Let us keep the commandments of God, let us be faithful to the end, so that when we go into the spirit world and look back upon our history we may be satisfied. The Lord Almighty has set His hand to establish His kingdom never more to be thrown down

or given to another people, and, therefore, all the powers of earth and hell combined will never be able to stay the progress of this work. The Lord has said he will break in pieces every weapon that is raised against Zion, and the nations of the earth, the Kings and Emperors, Presidents and Governors have got to learn this fact. It is a fearful thing to fall into the hands of the Lord. It is a fearful thing to shed the blood of the Lord's anointed. It has cost the Jews 1,800 years of persecution, and this generation have also a bill to pay in this respect.

I bear my testimony to these things. The Bible, the Book of Mormon, the Book of Doctrine and Covenants contain the words of eternal life unto this generation, and they will rise in judgment against those who reject them.

May God bless this people and help us to magnify our callings, for Jesus' sake. Amen.

Brother Lyman on rising wished you a happy New Year; I will continue the compliment by adding a hundred thousand happy New Years

and as many more as you wish.

A remark of this kind would sound rather peculiar in the ears of many individuals who do not look
