

that this Church has received; in being driven from their homes: in everything that is now being done by the Congress of the United States against the Latter-day Saints, and in this genealogical work that I have just alluded to, men outside of this Church have contributed to prove that Joseph Smith was indeed an inspired Prophet of God; for there has been no action taken by Congress, nothing has been done to us by mobs, or by any combination, that has not been predicted by Joseph Smith the Prophet, and we have the record of

it, and know that it is true. We know whereof we speak. Joseph Smith, years and years before the breaking out of the war in South Carolina, predicted that such a war should take place, and he designated the spot where it should commence. And the wicked by their own acts proved to the world, to God, and to angels, that Joseph Smith was an inspired Prophet of God, and that He foretold that which should take place.

God bless you, in the name of Jesus. Amen.

Stakes, because we have felt that it is due to those who have assisted so liberally in building the Temple in this place, that they should have a full and fair opportunity of seeing it. For that purpose we have already had two dedication services, and we intend to have another in the Temple, commencing at half-past ten
