

as, when you sow the seed in the soil He sends the rains and gives a bountiful crop in your fields. It is the blessing of God that is resting upon the people. His people are multiplying in the land, and they are spreading abroad and possessing it in Idaho and Montana in the north, and Arizona and New Mexico in the South. The wicked are determined to persecute and drive us. Where will they drive us to? They say the "Mormons" must go. Where shall we go to? We have become like a city that is set on a hill, we cannot be hid. We have become a strong people, and they do not know what to do with us. Every drop of innocent blood which they shed, will spread the Gospel the faster. Every time they persecute us they

will assist the work of God. "Mormonism" is like the mustard plant whose seed is ripe: when shaken it spreads the faster; or like the man I read of when I was a boy. When Canada thistles began to spread in the eastern States, this man was determined that he would put an end to them so far as his farm was concerned. So when the first thistle made its appearance he built a log heap over it and burned the pile. He thought he had squelched the thing; but to his horror and dismay the whole heap, the next year, was a dense mass of Canada thistles. So with "Mormonism," the more they "squelch" it, the faster it grows.

God bless you in the name of Jesus.
Amen.
